

# ECONOMIC FORUM

Warsaw, 15<sup>th</sup> September 2021

Ms Anna Hrustyshyn  
Ivan Franko National University of Lviv

Dear Madam,

Thank you for participating in the 30<sup>th</sup> Economic Forum in Karpacz and for developing this event with us, the unique atmosphere of which is created by each of the participants.

The Forum is the largest space for international meetings in our part of Europe. Its dimension and the diversity of views, specializations and sectors of the economy give a chance to replace assumptions with facts, and to shape opinions on the basis of factual arguments. So that we can learn from mistakes made by others, and at the same time use and adapt proven good solutions. Those who want to listen and learn had a chance to establish valuable contacts at the Forum, which will surely bear fruit in the future.

Therefore, I would like to thank once again on behalf of myself, the organizational team and Partners of the 30<sup>th</sup> Economic Forum for active participation in this event. It was not only a jubilee but also a record-breaking event in many respects. I believe that next year we will meet in the same place - with the same energy, openness, among people full of enthusiasm and willingness to share new ideas.

I would like to invite you to the 31<sup>st</sup> Economic Forum in Karpacz A.D. 2022 already today.

Yours sincerely,

Zygmunt Berdychowski

Chairman

Economic Forum Programme Council
