

Dear AMFORHT global network Members

Ukraine is a friend country of AMFORHT since years

Every day I think of our dear Ukrainian members, especially at the University of Lviv, which I had the honor of advising a few years ago

It is therefore with some emotion that I wish to relay to you the generous message of our friend and member of our NGO, Daniela OTERO, CEO of Skål International

Thank you for reading Daniela's message, acting and transmitting this message of altruism and peace around you

- Skål International stands in solidarity with refugees from Ukraine: <https://conta.cc/3sGILbq>
- Skål International help for Ukrainian refugees: <https://conta.cc/3xD2lcwm>

May reason, democracy and love prevail

нехай панують розум, демократія та любов
